Bhavin Patel

CO-FOUNDER & CEO

Q2 FY 2026–27 marked a significant milestone for LenDenClub, with loan disbursements reaching ₹1,929 crore, reflecting a strong 53% growth over the previous quarter.This momentum reflects the growing confidence of our lenders, borrowers and partners, supported by continuous investments in technology and operational excellence. During the quarter, we strengthened our AI-powered customer support, automated collections capabilities and payment infrastructure, including our transition to Axis Bank–managed escrow accounts.

Alongside this growth, we maintained 99.5% T+1, while our NPA for the first half of FY 2026–27 remained stable at 3.50%. These indicators reflect our continued focus on operational reliability, disciplined credit assessment and portfolio quality.As we scale, our commitment remains unchanged: building a sustainable, transparent and technology-driven P2P lending ecosystem while maintaining strong governance and regulatory compliance.

I sincerely thank our lenders, borrowers, partners and team members for their continued trust and contribution to our journey.
